Gender Equity Unit

DIGEST Issue #1

It's a Wrap!

25+ expert speakers represented their work and their countries this spring during the seminar series. Congratulations to the D4H team members who earned completion certificates by acing their quizzes. Knowledge Checks are open until the end of June, and a feedback survey is coming later this month.

Free Technical Assistance

The Gender Equity Unit is here to assist you with the design or adaptation of gender scales,

GENDER FOUNDATIONS IN HEALTH DATA

A Series of Seven Live Seminars

REGISTER NOW!

Gender Equity Concepts

In 2021, the working group put together key definitions and

gendered analysis of data, integrating gender equity into your data impact efforts, and more.

Send us your ideas and learn more at: genderhealthdata.org

concepts covering:

- sex and gender
- gender equity and equality
- sexual orientation and gender identity.
