Gender Equity Digest #2

Fall 2022

Celebrate! The New Gender & Health Data Website

We've launched a [learning hub](#) for gender integration into health data. Peruse through and:

- discover key concepts,
- learn best practices,
- see examples from around the world.

Quick Quiz: Find out Your Gender Integration Level

Get oriented to your team's level of gender integration with 15 simple yes/no questions.

Based on the WHO Gender Transformation Scale.

Click [here](#) to take the quiz!

Share: Suggest a Gender Resource

Have a tool related to gender and health data that you turn to for your work?

Suggest it [here](#) and we'll post it with your name as a Recommended Resource on our website.

Staff Highlight: Kate Wright (she/her)

[Kate Wright](#), the Research Lead for GEU, believes that gender equity means providing appropriate support to all genders, as per their independent needs, to ensure safe, authentic, and healthy lives for all.
